Year 5 - Autumn Term

Have we got news for you...

Come and See

Ourselves

Explore

A deepening awareness of 'Who I am'.

Reveal

Ourselves as made in the image and likeness of God.

1. You are holy people
2. The qualities God gives us and wants us to develop
3. Our unique God given qualities and the appreciation of difference
4. Christians are called to be like God to use these qualities for the service of others
5. God is the 'gift giver'
6. God as a loving parent

Respond

Remembering, celebrating and responding to a deepening awareness of 'Who I am' and ourselves as made in the image and likeness of God.

Life Choices

Explore

Showing care and commitment

Reveal

The call to life and love within the community; marriage .

1. We all have a mission
2. The different ways of living our mission
3. The Sacrament of Marriage; the promises
4. The blessing of rings
5. Showing love to one another in marriage
6. All are called to live in love and service

Respond

Remembering, celebrating and responding to showing care and commitment and the call to life and love within the community; marriage.

Hope

Explore

Waiting hopefully

Reveal

Advent is the church's season of waiting in joyful hope for the coming of Jesus, the promised one, at Christmas and at the end of time.

1. Advent; a time of waiting
2. Waiting for the promised one
3. Waiting in hope for the Lord
4. A light in the darkness that brings hope
5. Jesus, the one who was waited for in hope, is born
6. We wait in hope for Christ to come again

Respond

Remembering, celebrating and responding to gifts of love and friendship in life and that Advent is the church's season of waiting in joyful hope for the coming of Jesus.

Homework

Homework consolidates class learning and it is therefore important that this is completed and returned promptly so that your class teacher can mark and discuss this with your child before sending out follow up work. **Homework is therefore sent out on a Friday and should be returned on the following Wednesday.**

Spellings

Spellings are sent home on a weekly basis. We ask that the children practise the ten spellings daily and this will be tested each week before new spellings are sent home. The spelling sheets should not be returned to school.

Reading Books

5T Books to be returned with homework on a **Wednesday** and a new one will be sent out on Friday.

5D Books to be returned on the day stated on your child's homework bag.

Please continue to encourage your child to read daily so that they can progress through the **Reading Through the Rainbow** and receive regular rewards. If your child finishes their school reader, then they are to choose a text of their choice from home to read.

Please sign daily in the Home Reading Diary. Children can also take responsibility for this for part of the week

Continued Home Learning

Tmes tables. TT Rockstars is always a good website to support this learning - watch out for the battles!

Numeracy

Autumn 1

Reason with large whole numbers

- Developing understanding of place value with large integers
- Comparing and ordering 5- and 6- digit numbers
- Rounding larger numbers including when in context.
- Solving problems with a range of strategies.

Addition and Subtraction

- Using what you already know
- Exploring strategies
- Using written methods
- Solving multi-step problems.

Line graphs and timetables

- To read and interpret information presented in a line graph
- To solve problems using information presented in a line graph
- To complete, read and interpret information presented in tables and line graphs
- To construct line graphs using information presented in a table
- To interpret information in conversion line graphs
- To complete, read and interpret information in timetables

Autumn 2

Multiplication and Division

- Understand multiples, factors, square numbers and prime numbers
- Explore mental strategies for multiplication and division
- Select appropriate calculation strategies
- Use and explain multiplication methods
- Use and explain division methods

Perimeter and Area

- To calculate the perimeter of rectilinear shapes ensuring the length of all sides are included.
- To use multiplication to calculate the area of rectangles.
- To use different strategies to calculate the area of rectilinear shapes.
- To compare the area and perimeter of rectangles.
- To give reasonable estimates of non-rectilinear shapes on a grid.

Literacy

Myths

- Use concise expanded noun phrases to describe a setting.
- Write a new version of Prometheus and Pandora from a human's point of view.
- Includes conjunctions and adverbs to build cohesion within and across paragraphs.

Instructions

- Identify key features of instruction texts.
- Write a clear set of instructions that include key organisational features.
- Includes adverbs of time to link ideas within the instructions.

Modern Myth

- Explore how Billy's choices change the way he behaves towards other characters
- Write a diary entry in the role as Billy.
- Include a relative clause with 'which' or 'where' to add information.

Recounts

- Learn how pejorative language can show the reader the point of view from which a newspaper recount is written.
- Write a newspaper recount of an event.
- Uses organisational features of newspapers.

Science

Living Things and Their Habits
Animals including Humans
