Homework

Homework consolidates in class learning and it is therefore important that this is completed and returned promptly so that it can be marked and discussed with your child before sending out follow up work. **Homework is therefore sent out on a Friday and should be returned on or before Wednesday.**

Reading Books

Please sign daily in the Home Reading Diary when your child has read Children can also take responsibility for this. The expectation is that your child reads for a minimum of 20 minutes per day.

We encourage reading a range of texts other than the books sent from school.

This term our History focus is the Vikings and our Geography focus is the continent of North America. We will also be comparing a National Park of North America with the Lake District National Park.
