

Our Topic This Term Will Be...

Under the Sea!

Our topic for the Summer term will be 'Under the sea'.

We will be focusing on what life is like under the sea as well as comparing the difference between the coast and Blackbrook. In Science, we will be looking at different sea animals and grouping them together by their type and diet. We will also focus on naming and locating the 5 oceans of the world and look at the explorer Christopher Columbus.

Recommended books...

Numeracy

This term in Numeracy, we will be building on our counting and calculating skills. We will begin exploring numbers to 100.

- We will read, write, represent, compare and orders numbers to 100.
- Reinforce number bonds to 10 and investigate number bonds within 20.
- Identify coins and the value of each one.
- Compare capacities, volumes and lengths.

Literacy

In Literacy we will be continuing to work in Read Write Inc groups on basic skills including phonics, handwriting, reading, spelling and sentence structure. We will also be preparing for the Year One Phonics Screen by reading real and nonsense words.

Children will be writing for different purposes in class.

This includes:

- Writing about animals which live under the sea.
- Descriptive writing about familiar stories such as 'Tiddler' and 'Sharing a Shell'.
- Writing about our trip to the aquarium.
