Rights Respecting	Healthy Environment – Every child has the right to the best possible health. Governments must work to provide clean water and a clean environment so that children can stay healthy. Richer countries must help poorer countries achieve this. (24)				Safety – Governments must do all they can to ensure that children are protected from all forms of violence, abuse, neglect and bad treatment by their parents or anyone else who looks after them. (19)				Food - Every child has the right to a standard of living that is good enough to meet their physical, social and mental needs. Governments must help families who cannot afford to provide this. (27)			
<b>SOCIAL &amp; EMOTIONAL DEVELOPMENT (PATHS )</b>	Following simple rules. The importance of respecting others. Recognising basic feelings.				Basic self-control strategies. Respectful friendships. Solving simple problems in friendships.				Advanced feelings.
